

## Our Homestead through Time

Author : blue seas

Date : February 1, 2019

I was messing around on the Google Earth Engine the other day, and discovered that their Timelapse site finally had satellite images available for our region. So here is our homestead from 1984 to 2016 ...

1984

1985

1986

1987

1988

1989

1990

1991

1992

1993

1994

1995

1996

1997

1998

1999

2000

2001

2002

2003

2004

2005

2006

2007

2008

2009

2010

2011

2012

2013

2014

2015

2016
